Agenda:

1. Meeting called to order by P Morgan – quorum determined.
2. Minutes of the Jan. 16, 2025 were reviewed – Motion to approve – 1st Hill, 2nd Bridge - MP
3. Review of the invoice from Phelps Service for brush clearing of Thomas Hood / Ernie Pyle Drain – approved.
4. Review of DRAFT Vermillion County Drainage Control Plan – addition / corrections suggested will be forwarded to DES Engineering for review.
5. Review of status of Rileysburg Issues – Mack shared email sent to Commissioners stating until they can decide how best to proceed, the VCDB hands are tied in determining the legal status of the drain.
6. Review of Goins quote for varmint trapping in TH / EP drain – the VCDB asked that the quote be resubmitted to include more detail and to include bounty numbers for animals trapped.
6.Review of JB Brush control quote to spray the TH/EP Drain. Bridge 1st, Smith 2nd – MC
7. Review of quoted from ES Smith Excavating to clear cattails out of AC Grain retention pond – Smith 1st, Hill – 2nd – MC
8. Review of quote from Aquatic Control to treat AC Grain Ponds for Cattails – tabled – Board members agreed that quote was reasonable but want to have Smith physically clean the pond first. Mack is to contact Smith to try to set a time line.
9. Having no further business, MM by Hill to Adjourn, 2nd by Smith - MC

Submitted by, Ronald A. Mack For VCDB Sec. Tyler Smith
